Annex A: WFD's Safeguarding Policy

Our values and principles

Child abuse is when anyone under 18 years of age is being harmed or isn't being looked after properly. Abuse can also be directed at vulnerable adults. **Vulnerable adults** are those aged 18 years or more who either identify themselves as unable to take care of themselves or protect themselves from harm or exploitation, or due to their gender, age or physical illness, mental health, learning or physical disabilities, as well as disasters and conflicts, and who are unable or unwilling as a result to identify themselves as vulnerable or subject to abuse, but are deemed at risk, because they are or may be unable to take care of themselves or protect themselves from harm or exploitation. **Vulnerable adults may include employees, contractors, and/or beneficiaries.**

The abuse can be physical, sexual, emotional or neglect. The abuse and exploitation of children and vulnerable adults happens in all countries and societies across the world. Abuse towards children and vulnerable adults is never acceptable.

It is expected that all who work with WFD are committed to safeguard children and any vulnerable individuals whom they employ or are in contact with.

What we do

WFD is committed to safeguard children and vulnerable individuals through the following means:

Awareness: Ensuring that all staff and those who work with WFD are aware of the problem of child and vulnerable person abuse and the risks to children and vulnerable adults.

Prevention: Ensuring, through awareness and good practice, that staff and those who work with WFD minimise the risks to children and vulnerable adults.

Reporting: Ensuring that you are clear on what steps to take where concerns arise regarding the safety of children and vulnerable adults.

Responding: Ensuring that action is taken to support and protect children and vulnerable adults where concerns arise regarding possible abuse.

To help you clarify our safeguarding approach, we list here examples of the behaviour by a representative of WFD which are prohibited. These include but are not limited to:

1. Hitting or otherwise physically assaulting or physically abusing children or vulnerable adults.
2. Engaging in sexual activity or having a sexual relationship with anyone under the age of 18 years regardless of the age of majority/consent or custom locally. Mistaken belief in the age of a child is not a defence.
3. Developing relationships with children or vulnerable adults which could in any way be deemed exploitative or abusive.
